I support my child's decision to be part of the 2010-2011 Company. I understand they must already have 3 years ballet and jazz experience, enroll in ballet and Company in the fall and ballet and one additional class in the summer, attend all extra rehearsals and will compete at 3-5 local competitions. A \$50 deposit per dance (\$150 cap) is due by Sept 1, 2010 and will be used towards competitions. Those who are invited to senior level classes will also compete at Adrenaline and one national out of state competition. All Company members including those competing only a solo or duo must attend the weekly Company class on Mondays in the fall and are responsible for the \$25/month Company fee.
